

UCSD Shuttle bus service:

The University has a free shuttle bus service that runs between 7am and 6pm, with busses arriving every 15 minutes. The shuttle will run every day of the SIP meetings, except for Sunday, August 13.

The shuttle runs in two directions (clockwise and counterclockwise) in a loop around the campus, which is illustrated in yellow in the map below. The shuttle stops are designated with yellow "L"s.

The closest stop to the Village area dorms is either at Eleanor Roosevelt College (1 block south of the dorms) or the North RIMAC field. The closest stop to the Price Center, where the meetings will be held, is the Gilman Transit Center.
