

Posting: Postdoctoral Research Associate I (PostDoc) [Edit](#)

- Position Type: **PostDoc**
- Department: **Animal&Biomedical Sciences-Res (2450)**

Position Information	
Title	Postdoctoral Research Associate I
Position Control Number (PCN)	2021414
Job Code	
Department	Animal & Biomedical Sciences-Res (2450)
Location	Main Campus
Position Summary	<p>The Stock Lab at University of Arizona is seeking a postdoctoral associate with a focus in bacteria-nematode- insect interactions. The successful candidate will be expected to develop and conduct research in relation to entomopathogenic bacterial secretion systems and toxin production. Candidate will also be expected to supervise and mentoring of undergraduate students.</p> <p>The postdoc may also have the opportunity to develop a side project in his/her area of interest, provided it fits within the general scope of the lab's interests. For more information on the Stock Lab, visit the lab website (https://acbs.cals.arizona.edu/people/s-patricia-stock).</p> <p>This is a one-year appointment with the possibility of an additional year(s) contingent upon the availability of funds and satisfactory performance.</p> <p><i>Outstanding UA benefits include health, dental, vision, and life insurance; paid vacation, sick leave, and holidays; UA/ASU/NAU tuition reduction for the employee and qualified family members; access to UA recreation and cultural activities; and more!</i></p> <p>Accepting a new position is a big life step. We want potential candidates and their families to be able to make informed decisions. Candidates who are considering relocation to the Tucson or Phoenix area, and have been offered an on-site interview, are encouraged to use the free services offered by Above & Beyond Relocation Services (ABRS). Ask your department contact to be introduced to ABRS prior to your visit.</p> <p>The University of Arizona has been listed by Forbes as one of America's Best Employers in the United States and WorldatWork and the Arizona Department of Health Services have recognized us for our innovative work-life programs. For more information about working at the University of Arizona, please click here.</p>

Diversity Statement	At the University of Arizona, we value our inclusive climate because we know that diversity in experiences and perspectives is vital to advancing innovation, critical thinking, solving complex problems, and creating an inclusive academic community. We translate these values into action by seeking individuals who have experience and expertise working with diverse students, colleagues and constituencies. Because we seek a workforce with a wide range of perspectives and experiences, we encourage diverse candidates to apply, including people of color, women, veterans, and individuals with disabilities. As an Employer of National Service, we also welcome alumni of AmeriCorps, Peace Corps, and other national service programs and others who will help us advance our Inclusive Excellence initiative aimed at creating a university that values student, staff and faculty engagement in addressing issues of diversity and inclusiveness.
